- **2x2:** 1/2 to 1 gallon per acre
- **Foliar:** 32oz to 1 gallon per acre

WARNING: Do not apply on or near the seed at planting. This product contains a chemical (or chemicals) known to the State of California to cause cancer and birth defects or other reproductive harm. This product contains Boron (B) and may be harmful to certain crops. Use only according to manufacturer's directions. This product also contains Molybdenum (Mo). Crops high in Molybdenum can be toxic to ruminant animals. Use only according to manufacturer's directions.

CONDITIONS OF SALE: The information contained on this label is believed to be accurate and reliable. Buyer and user acknowledge and assume all liability resulting from the use of this material. Follow directions carefully. Timing, method of application, weather, crop conditions and other factors are beyond the control of the seller. Micro-X can be safely mixed with most pesticides and liquid fertilizers. However, it is best to perform a jar test for compatibility.

CAUTION: KEEP OUT OF REACH OF CHILDREN.
